The Special Filming Conditions described below will be included in the terms and conditions of permits issued for filming in this area and are in addition to the standard terms and conditions applicable to filming permits generally. While these Special Filming Conditions will be included as terms if a permit for filming in this area is issued, they are not intended to, and do not, establish the criteria or standards for determining whether or not a particular permit (or permits) will be issued for this area. The decision whether or not a particular permit (or permits) will be issued is vested in the discretion of the appropriate City or County department or their designees (including FilmL.A., Inc.), to be exercised consistent with public health, safety and general welfare, and applicable land-use ordinances.

This is one of the most photogenic neighborhoods in Los Angeles with beautiful and historic turn of the 20th Century architecture. These Special Filming Conditions apply to all film permit requests for the West Adams Heights/Sugar Hill area bounded by Western Avenue, Normandie Avenue, Washington Boulevard and the 10 Freeway.

- **The standard residential requirement prohibiting arrival before 7:00 a.m. and departure after 10:00 p.m., Monday through Friday, must be strictly adhered to.** An extension of the standard filming hours requires that affected residents be surveyed to identify neighborhood concerns and the approved hours and days must be specifically indicated on the permit.
- **Craft services, catering trucks, food preparation tables and dining tables are prohibited on sidewalks or parkways and must be on private property.**
- **Trash and refuse must be removed from the area immediately after filming activities are completed.**
- **Trash is picked up on Mondays**. The production company is responsible for making sure that garbage is picked from in front of any impacted dwellings.
- **Street cleaning days are as follow**: east sides and south sides of the streets are cleaned on Wednesdays and west sides and north sides are cleaned on Thursdays. When street cleaning is disrupted by filming, it is the responsibility of the production company to have the street cleaned.
- **A FilmL.A. Monitor will be assigned to encourage compliance with the permit and conditions.** The Monitor will generally arrive at the designated location 1 hour prior to the permit start time to note proper arrival time and remain with the production company during all filming-related activities and ensure proper departure time.
